#### **INDEPENDENT AUDITOR'S REPORT**

Board of Directors National Alopecia Areata Foundation San Rafael, California

### **Opinion**

I have audited the accompanying financial statements of the National Alopecia Areata Foundation (a nonprofit organization), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of National Alopecia Areata Foundation as of December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

# **Basis for Opinion**

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of National Alopecia Areata Foundation and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

# Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the National Alopecia Areata Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

# Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the National Alopecia Areata Foundation's internal control. Accordingly, no such
  opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
  accounting estimates made by management, as well as evaluate the overall presentation of the financial
  statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that
  raise substantial doubt about the National Alopecia Areata Foundation's ability to continue as a going
  concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

# Report on Summarized Comparative Information

I have previously audited National Alopecia Areata Foundation's 2022 financial statements, and I expressed an unmodified audit opinion on those audited financial statements in my report dated March 13, 2023. In my opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### NOTE 1 - GENERAL

The National Alopecia Areata Foundation (the Organization) was incorporated in 1981 as a non-profit public benefit corporation under the laws of the State of California as a world center for Alopecia Areata resources. The Organization is raising public consciousness of the disease, providing support and resources for those with the condition, and encouraging and funding medical research for better treatment and an ultimate cure.

# NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

# A. Basis of Accounting

The financial statements and records of the Organization are prepared on the accrual basis of accounting and, therefore, include all support and revenues when earned and all expenses when incurred, regardless of whether the support and revenues or expenses were received or paid as of the end of the period. Grants are recognized as support when earned in accordance with the terms of each grant or agreement.

# B. Basis of Presentation

The financial statements are presented in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 and the provisions of the American Organization of Certified Public Accountants (AICPA) *Audit and Accounting Guide for Not-for-Profit Organizations*. Under the provisions, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified as follows:

<u>Net Assets without Donor Restrictions</u> - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. The Organization's board may designate assets without restrictions for specific operational purposes from time to time.

<u>Net Assets with Donor Restrictions</u> - Net assets are subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

# C. Measure of Operations

The statement of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the Organization's ongoing activities. Non-operating activities are limited to resources that generate a return from investments, endowment contributions, financing costs, and other activities considered to be of a more unusual or nonrecurring nature.

For the Year Ended December 31, 2023

# NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### D. Cash and Cash Equivalents

For purposes of reporting the statement of cash flows, cash and cash equivalents include cash on deposit with financial institutions and highly liquid investments with a maturity of three months or less.

# E. Investments

Included in investments are equities, bond funds, and exchange-traded funds. Investments held by the Organization are stated at their fair market value based on quoted market prices. Realized gains and losses from the sale of marketable securities are computed based on specific identification of historical costs. Unrealized gains and losses of marketable securities are computed based on specific identifications of recorded cost, as they may have been previously adjusted to the market, and are included in the change in net assets. Investment return is presented net of investment fees.

In addition, the Organization frequently receives donations in the form of marketable securities. Donated marketable securities are sold within a short period after receipt. Investments are recorded at current market value on the statement of financial position.

#### F. Accounts Receivable

Accounts receivable represent amounts earned but not yet collected. The Organization has not accrued an allowance for doubtful accounts, as it is the opinion of management that all receivables will be realized. The Organization will accrue an allowance for doubtful accounts when management considers that the receivables cannot be fully collected.

# G. Fixed Assets

The Organization records purchased property and equipment over \$3,500 at cost and records donated fixed assets at fair market value on the date received. At present, fixed assets consist of furniture and equipment, all of which are depreciated by the straight-line method over the estimated useful lives of the assets. Expenditures for maintenance and repairs are charged to expenses as incurred. Any impaired assets will be written down to their actual value.

# H. <u>Deferred Revenue</u>

Deferred revenue represents sponsorships received in advance for future events.

# I. Grants

Grants awarded by government agencies or passed through to the Organization from another donor that received funding from the government agencies are generally considered nonreciprocal transactions restricted by the awarding agency for certain purposes. Revenue is recognized when qualified expenditures are incurred and conditions under the grant agreement are met.

For the Year Ended December 31, 2023

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### J. Revenue Recognition

Revenue is recognized in accordance with authoritative guidance, including ASU 2018-08, Not-for-Profit Entities (Topic 605), and ASU No. 2014-09, Revenue from Contracts with Customers (Topic 606).

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met. A transfer of funds with a conditional promise to contribute is accounted for as a refundable advance until the conditions have been substantially met. Certain payments received include both elements of contributed income and earned income, and management evaluates such transactions to determine the proper revenue rules to apply and to bifurcate the revenue components. When applicable, revenue earned under a contractual arrangement (an "exchange transaction") is recognized when earned and therefore measured as services provided in accordance with Topic 606.

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized.

#### K. Program Service Fees

Program service fees represent treatment development program services, conference registration fees, publications, and community services.

# L. Functional Allocation of Expenses

Directly identifiable expenses are charged directly to program services and supportive services. Expenses related to more than one function are charged to program services and supportive services on the basis of periodic time and expense studies. The Organization's employees will track their time spent on each program (Support and Education, Awareness and Advocacy, Treatment Development, Fundraising, or Administration) and this will determine how much of the salaries are allocated to each specific program. The same method is used to allocate other expenses to each specific program. Administration expenses include those expenses that provide for the overall support and direction of the Organization.

For the Year Ended December 31, 2023

# NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### L. Functional Allocation of Expenses (concluded)

The expenses that are allocated include the following:

**Expense** Method of Allocation Payroll related expenses Time and effort Professional fees Function and usage Lease expense Function and usage Insurance Function and usage Supplies and expendable equipment Function and usage Telephone and internet Function and usage Postage and shipping Function and usage Printing and publications Function and usage Equipment maintenance and leasing Function and usage Travel Function and usage Conventions and meetings Function and usage Function and usage Awareness and fundraising events Function and usage Audio and visual Dues and subscriptions Function and usage Bank changes and fees Function and usage

# M. Concentration of Credit Risk

Financial instruments that potentially subject the Organization to credit risk consist primarily of cash and cash equivalents, investments, and accounts receivable.

The Organization maintains cash and cash equivalents and investments with commercial banks and other major financial institutions. Cash equivalents include overnight investments; and money market funds. At times, such amounts might exceed Federal Deposit Insurance Corporation (FDIC) limits. The Organization maintains a portfolio of financial instruments which potentially expose the Organization to concentrations of investment risk. To limit the amount of risk exposure the Organization diversifies its portfolio by asset class and by a depository. Subject to market fluctuations, management does not consider this risk a particular concern at this time.

The Organization is vulnerable to the inherent risk associated with revenue that is substantially dependent on public support and contributions. The continued growth and well-being of the Organization are contingent upon the successful achievement of its long-term revenue-raising goals. Management is taking steps to address potential changes in funding levels and reduce Organization's exposure to these fluctuations.

For the Year Ended December 31, 2023

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

#### N. Contingencies

The Organization participates in numerous grants. Disbursement of funds received under these grants requires compliance with terms and conditions specified in the grant agreement and is subject to audit by the grantor agency. Any disallowed costs resulting from such an audit could become a liability of the general fund or other applicable funds.

# O. Use of Estimates

The financial statements have been prepared in conformity with U.S. generally accepted accounting principles and, as such, include amounts based on informed estimates and judgments of management with consideration given to materiality. Actual results could differ from those estimates.

#### P. Risk Management

The Organization is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters for which the Organization carries commercial insurance.

# Q. Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through April 11, 2024, the date the financial statements were available to be issued.

# R. Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with National Alopecia Areata Foundation's financial statements for the year ended December 31, 2022, from which the summarized information was derived.

# NOTE 3 - INCOME TAXES

The Organization is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is also exempt from California franchise taxes under Section 23701(d) of the Revenue and Taxation Code and, therefore, has made no provision for Federal or California income taxes. Contributors, donors, and grantors may obtain tax benefits. In addition, the Organization has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Code.

For the Year Ended December 31, 2023

# NOTE 3 - INCOME TAXES (concluded)

The Organization adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles, with no cumulative effect adjustment required. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-thannot be sustained upon examination by taxing authorities. The Organization has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Organization believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Organization's financial condition, results of operations, or cash flows. Accordingly, the Organization has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2023 and December 31, 2022. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### NOTE 4 - CASH AND CASH EQUIVALENTS

The cash balances as of December 31 are as follows:

	2023	2022
Westamerica Bank	\$ 1,119,503	\$ 471,291
Charles Schwab	1,642,234	 1,499,296
Total	\$ 2,761,737	\$ 1,970,587

The account balances with Quaint Oak Bank and Westamerica Bank were insured under the \$250,000 blanket umbrella by the Federal Deposit Insurance Corporation (FDIC). The remaining balances were uninsured and held by the financial institutions in the Organization's name. It is the opinion of management that the solvency of the financial institutions is not of particular concern at this time. Cash on deposit with Charles Schwab was fully insured by the FDIC and other insurance provided by Charles Schwab.

# NOTE 5 - <u>INVESTMEN</u>TS

The investment activity for the year ended December 31 is as follows:

	2023	2022
Account balances, beginning of period	\$ 546,543	\$ 640,214

Total	\$ 620,904	\$ 546,543

For the Year Ended December 31, 2023

# NOTE 6 - SUMMARY OF FAIR VALUE EXPOSURE

FASB ASC 820-10 and its subsections, Fair Value Measurements and Disclosures clarify the definition of fair value for financial reporting, establish a framework for measuring fair value, and require additional disclosure about the use of fair value measurements in an effort to make the measurement of fair value more consistent and comparable. The Organization has adopted FASB ASC 820-10 for its financial assets and liabilities measured on a recurring and nonrecurring basis.

FASB ASC 820-10 defines fair value as the amount that would be received from the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants, i.e. an exit price. To estimate an exit price, a three-tier hierarchy is used to prioritize the inputs:

Level 1: Quoted prices in active markets for identical securities.

Level 2: Other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment spreads, credit risk, etc.)

Level 3: Significant unobservable inputs (including the Organization's own assumptions in determining the fair value of investments).

The inputs and methodology used for valuing the Organization's financial assets and liabilities are not indicators of the risks associated with those investments.

The following table provides fair value measurement information for financial assets and liabilities measured at fair value on a recurring basis as of December 31:

	2023	2022
